Company Profile

Who We Are

For more than a quarter century, Simcon Surgical International customers have benefited from our outstanding industry knowledge and our ability to consistently provide high-quality specialty surgical instruments. Our Instrument Specialists bring years of industry experience to every customer interaction and constantly strive to meet our goal of 100% customer satisfaction.

Known for providing unsurpassed overall value, the instruments we sell are backed by a surgeon satisfaction guarantee. We sell German, American-made, and high-quality instruments that are often sourced through the same manufacturers as higher-priced name-brand instrument companies. We will only provide you with a quote on instruments that will match your required specifications and deliver an equal- or superior-quality instrument with substantially more value. And we can reference any catalog number from any company. That's why 99% of our customers report surgeon satisfaction.

Our competitive advantage is created through a dedicated team of highly-trained and experienced instrument specialists who understand the unique challenges of the industry and deliver unparalleled customer service. Our customers are assigned Primary and Secondary Instrument Specialists to ensure that a consultant familiar with your account and individual challenges is always available.

We help our customers get more out of their annual budget and save considerable time and effort. No complicated phone menus to navigate. Simply call or email us your requirements and we provide you with a quote allowing you to effortlessly and effectively compare cost against contracted and non-contracted suppliers.

How We Work

Locating and comparing specialty surgical instruments is easy with one mail to Simcon Surgical International. You'll be connected directly with an experienced Instrument Specialist who is dedicated to helping you with your instrument needs, not a complicated phone menu.

Our extensive knowledge comes from 25 years of industry experience. And we will only provide you with a quote on instruments that match your instrument specifications and deliver an equal or superior quality instrument with substantially more value.

Our knowledgeable Instrument Specialists are available five days a week, 10 hours a day. We can provide you with a quote over the phone or by email.

Looking for a hard-to-find instrument? Ask the Instrument Guru for help! Quickly locate the instrument you need without days of research by submitting your question.

Our Pledge

100% Surgeon Satisfaction

Every instrument is guaranteed to provide 100% surgeon satisfaction. Through our 30-day return policy, surgeons can use the instrument in surgery, risk-free.

Learn more about our Surgeon Satisfaction Guarantee!

Industry-Leading Customer Service, Always

We pride ourselves on customer service and pledge to do everything we can to help our customers with their surgical instrument needs. Our focus is surgical instruments. We have the systems, experience, and desire to help you save time, save money, and get great results.

Service Plus Guarantee

Simcon Surgical International guarantees that you and your surgeons will be satisfied with the surgical instruments you purchase from us. Your surgeons should find the quality, instrument style, design, and performance superior or equivalent to the instrument used as a reference.

The instruments you purchase can be evaluated in surgery! If you or your surgeons are not completely satisfied, please return them within 30 days for a full credit.

Half Round Hoof Nipper

SS-91-1201

The smallest of the nippers. Ideal for foals and any of the smaller-hoofed horses

12"

Hoof Nipper

SS-91-1202

The 14" nipper is considered the workhorse of the nippers. It is especially useful when working on hard hooves. Designed to be used on all breeds of horses.

14"

Hoof Nipper

SS-91-1203

The 15" nipper is the largest of nippers. Farriers doing larger breeds and large amounts of trimming consider this nipper to be their most

important tool

15cm

Easy Racetrack Hoof Nipper

SS-91-1204

The 14" race track easy Nipper combines the comfort of the easy handle with better balance, increased leverage and improved manufacturing methods to bring you the second in series of all new "easy nippers"

14"

Easy Hoof Nipper

SS-91-1205

The 15" easy Nipper is the largest of the 'Easy' range that combines the comfort of the easy handle with better balance, increased leverage.

15"

Semi-Polished Hoof Nipper

SS-91-1206

The 12" is the smallest of the nippers and is ideal for smaller-hoofed horses.

12"

Racetrack Semi-Polished Hoof Nipper

SS-91-1207

The 14" race track nipper forged from high quality tool steel, machined to precise tolerances and heat treated for wear resistance.

14"

Polished Hoof Nipper

SS-91-1208

The 12" is the smallest of the nippers and is ideal for smaller-hoofed horses.

12"

Racetrack Polished Hoof Nipper

SS-91-1209

The 14" race track nipper forged from high quality tool steel, machined to precise tolerances and heat treated for wear resistance.

14"

Plastic Grip Hoof Nipper

SS-91-1210

Designed exclusively for trimming hooves. This 14-inch long professional nipper features a wide 1" flat head and thin heat-treated jaw. Equipped with cushion-grip handles.

14"

Polished Hoof Nipper

SS-91-1211

The Nordic Forge 15" Nipper is forged from high quality tool steel, machined to precise tolerances and heat treated for wear resistance. Offers a very sharp cut.

Standard Balling Gun

SS-91-2401

(Cotran) 15.5" long, holds up to 1 ounce size capsule. Metal handle with spring.

Balling Gun - Calf Size

SS-91-2402

(Stone Manufacturing Company) New non-injurious bolus dispenser with flexible plastic head.

Balling Gun - Medium

SS-91-2403

New non-injurious bolus dispenser with flexible plastic head.

Farmers Balling Gun

SS-91-2404

Single dose balling gun with 1" head features heavily chrome-plated metal to resist corrosion for long, trouble-free service and reinforced heads for extra strength. 18" balling gun includes bolus spring clips.

18"X1/2" Balling Gun W/ Chrome Plated Head

SS-91-2405

Single dose balling gun with 1/2" head features heavily chrome-plated metal to resist corrosion for long, trouble-free service and reinforced heads for extra strength. 18" balling gun includes

18"X5/8" Balling Gun W/ Chrome Plated Head

SS-91-2406

Single dose balling gun with 5/8" head features heavily chrome-plated metal to resist corrosion for long, trouble-free service and reinforced heads for extra strength. 18" balling gun includes

18"X7/16" Balling Gun W/ Chrome Plated Head

SS-91-2407

Single dose balling gun with 7/16" head features heavily chrome-plated metal to resist corrosion for long, trouble-free service and reinforced heads for extra strength. 18" balling gun includes bolus spring clips.

18" Balling Gun Frame Only

SS-91-2408

The WIMCO Cler-Head Balling Gun frame accepts interchangeable plastic heads up to 1" in 1/16" increments to fit boluses up to 480 grams and many common rumen magnets. Order Frames and Heads separately.

Dose Syringe With Straight Pipe

SS-91-2409

6 oz. dose syringe with 9" straight pipe. Used to dispense liquid medication orally. Plunger rod is calibrated in 1/2 oz. increments. Heavy-duty, nickel finish brass construction. Easy disassembly for cleaning. Leak proof operation. Metal plunger with rubber O-ring.

Ratch-A-Pull Dual Action

SS-91-2501

New, improved model double action puller. Refined milled grooves on shaft with no sharp edges. Wide cast aluminum breech spanner and longer solid shaft for those big calves. Puller disassembles for storage. Heavy-duty construction throughout. Order OB chains separately.

OB Handle

SS-91-2502

Hook, nickel finish, is designed to grasp chain firmly at any length.

OB T-Bar Handle

SS-91-2503

Easy grip two-handed pull design provides extra leverage. Hook will not spring or let chain slip.

Wire Saw

SS-91-2504

Abrasive wire saw for rapid cutting. Wire saw can be useful when dehorning or for removal of dead fetus from the womb. Handles sold separately.

Cow Hobble

SS-91-2701

Cow hobble stops the cow from kicking or switching her tail. Hooks over tendons of hind legs and adjusts to any size cow. Galvanized steel. Wt. 1.5 lb.

Kow Kant Kick

SS-91-2702

Kow Kant Kick fits any size animal and is now improved with a black powder-coated finish. To use, slip over the animal back and crank the handle to immobilize the muscles of the rear legs that control kicking. It works on either side of the pin bone. The arms are rubber-tipped to protect the animal.

Kick-Stop

SS-91-2703

Kick-Stop has an easy, pushbutton adjustment that allows it to fit any size animal. Slips into place with just a push of the button, and it fits snugly over back for optimum control. Handy and easy to carry, Kick-Stop weighs only 4 lbs. as compared to other anti-kick devices weighing 12 lbs. or more.
